strive to be our best

The Drive to Be Our Best incentive payout amount for Le Bonheur Associates is \$100 and is for Associates who worked at least 624 hours in 2016. Associates who worked 416 to 623 hours in 2016 will be eligible for a lower payout amount. Associates who worked less than 416 hours are not eligible for the payout. Results reflect financial performance through Nov. 30, 2016, and patient experience scores through Oct. 31, 2016. To learn more about how the program works, go to [MOLLI>MOLLI LINKS>Drive To Be Our Best](#).

The Drive to Be Our Best program was created to reward Associates for focusing and improving key organizational blue ship on our Balanced Scorecard reflected in our Patient Experience Scores. We are striving for continuous improvement concerning the care we provide our patients and families and want to reward our Associates when they deliver exceptional care.

submit abstracts for pediatric research day

Le Bonheur will host its ninth annual Pediatric Research Day on March 29 from 8 a.m.-4 p.m. in the Chesney Auditorium and Faculty Office Building. The goal of this meeting is to bring together scientific researchers and clinicians from Le Bonheur Children's Hospital, the University of Tennessee Department of Pediatrics, the Children's Foundation Research Institute and other institutions to facilitate discussions on the latest research findings, medical advances and scientific innovations. The overarching theme of this year's Pediatric Research Day is Infection. Attendees will hear presentations on current research and will meet investigators and collaborators working in a wide range of scientific and medical fields.

The organizing committee welcomes your abstracts for oral presentations and scientific posters. All abstracts must be submitted online. Abstract submission guidelines, online abstract submission for and registration details can be found at <http://www.lebonheur.org/research-and-education/research/pediatric-research-day/>. Attendance and participation is free of charge. Abstract submission closes on Feb. 3 at 5 p.m. and the withdrawal deadline is Feb. 17. Registration for the conference closes on March 23 at 5 p.m.

get tickets to the no show ball

The Forrest Spence Fund is hosting their 2nd annual No Show Ball. The No Show Ball is a play on the truth that most fundraisers we participate in are events you have to attend. On the day of the No Show Ball the event comes to you in the form of a dinner in a cooler bag dropped off at your front door. The cooler is \$100 and it consists of poppyseed chicken entree from Off the Square Catering, creamed spinach from Lucchesi's, dessert from Fino's, bread from Lisa's Lunchbox and a bottle of red or white wine from Cork's. Coolers go on sale Wednesday, Jan. 25 and will sell out after 325 are sold.

Coolers will be delivered throughout Shelby County. If you live outside of Shelby County and would like a cooler, you can pick yours up at Independent Presbyterian Church between 11 a.m. and 12:30 p.m. Coolers make a great gift for others as well.

no hit zone implemented at Le Bonheur

The Child Assessment and Resource Evaluation Services (CARES) team implemented a No Hit Zone at Le Bonheur. A no hit zone is an environment in which no adult shall hit another adult, no adult shall hit another child, no child shall hit another adult, and no child shall hit another child. The goal of this program is to assist in lowering the frequency of disruptive behaviors in our hospitals and clinics, promote a safe and caring atmosphere for patients, families and staff and model positive parenting at Le Bonheur.

The policy is now posted on MOLLI as "No Hit Zone," staff education is on Cornerstone and is assigned to all Le Bonheur Associates. If you have any questions about this policy contact **Andrea Sebastian** at 287-6886.
